

Curriculum

2025-26

MAIN SUBJECTS OFFERED IN JUNIOR

Hindi, English, Sanskrit, Mathematics, Computer, G.K., Moral Values, Science and Social Science (Grade 6 to Grade 8)

Our School completes the cycle of LSRW (Listen-Speak-Read-Write) by encouraging students to talk clearly, confidently and with expressions in order to communicate ideas and feelings. Similarly, important is the need to listen to others and respond appropriately. All students are provided with opportunities in all areas of the curriculum to develop skills in speaking and listening.

Assessments

Assessment Policy for Classes VI to VIII

The academic year is divided into two terms and each term has two assessment reports. There shall be no formal examinations for classes VI & VIII. The students will be assessed on the basis of day to day performances and regular classroom observations. Evaluation of academic subjects in classes VI to VIII is done both through two terms. Each term shall have two rounds of Periodic Test (PTs) and one Term exam (Half Yearly/Annual Exam). Both terms carry equal weightage.

Methodology

The curriculum encourages students to develop an understanding of key concepts. In the curriculum, at this level, concepts are represented by different examples that share common attributes. In this way, a sound base is built to equip them with appropriate attitude and skills. The teaching is project based, activity oriented and content centric. Theme teaching is in practice to promote cross curriculum understanding.
